

REDEFINING **MOBILITY** AT FAIR PRICES

ABOUT US

Nayasa Transport & Logistics, is a member of the Nayasa Group of Companies limited. We run a comprehensive land Transportation, Haulage and Courier Services for businesses and individuals at highly competitive prices. We also provide quality and prompt bus rental services across the country at affordable prices whilst making sure that our customers enjoy real value for money. Over the years, Nayasa Transport & Logistics has developed cutting edge, fast, efficient and cost saving transport & logistics services for all categories of businesses and individuals.

We are a technology-focused company that utilizes physical and digital tools to move individuals and commodities from one place to the other within and beyond the country. We remain focused

on our goal to redefine mobility within and across Ghana. We believe that mobility should be hassle-free so we go that extra mile to give our customers that experience.

The desire to move people better is our biggest motivation. It propels us to redefine mobility, innovate and provide our customers, their commodities, the ability to move freely and easily within the country. Our focus is centered around the concept of “human development” and it is on this premise we build services geared towards simplifying commuting of individuals and commodities.

In our world, our customers are most important, so we make it our life mission as a team to relentlessly prioritize their satisfaction, safety and progress by leveraging on modern technology at a fair price.

WHY CHOOSE US:

The hallmark of our reputation is built on cutting edge customer focus solutions that meets customer expectations. It comes naturally, therefore our customers consider us a reputable brand that understands the needs of its clients and ensures satisfactory world-class service delivery.

VISION

To be recognized amongst current and prospective customers as the preferred quality-driven transport and logistics company in Ghana and beyond with a model of excellence, through the integration of innovative business practices and consistent emphasis on customer satisfaction.

MISSION

To deliver consistent, timely and cost-effective transportation and logistics solutions to all our customers with the highest level of excellence in customer satisfaction, as well as exceptional safety and comfort. Using highly motivated and competent workforce driven by innovation and the right technology .
